ಸ್ವಾಗತ! Welcome to the family!

ಪ್ರೀತಿಯ ಕುಟುಂಬಕ್ಕೆ ನಮಸ್ಕಾರ!

Dear family, namaskara!

ನಿಮ್ಮ ಮಕ್ಕಳಿಗೆ ಕನ್ನಡ ಕಲಿಸಲು ನೀವು ನಿರ್ಧರಿಸಿದ್ದು ನಮಗೆ ತುಂಬಾ ಸಂತೋಷ ತಂದಿದೆ.

We are so happy that you decided to teach your children Kannada.

ಕನ್ನಡ ನಮ್ಮ ತಾಯ್ನುಡಿ, ನಮ್ಮ ಮನೆಯ ಮಾತು, ನಮ್ಮ ಅಜ್ಜ ಅಜ್ಜಿಯರ ಪ್ರೀತಿಯ ಭಾಷೆ.

Kannada is our mother tongue, the language of our home, the loving language of our grandparents.

ದೂರದ ದೇಶದಲ್ಲಿದ್ದರೂ, ನಮ್ಮ ಮಕ್ಕಳು ಕನ್ನಡದಲ್ಲಿ ನಗಲಿ, ಮಾತಾಡಲಿ, ಓದಲಿ, ಬರೆಯಲಿ.

Even far from home, may our children laugh, speak, read and write in Kannada.

ದಿನಕ್ಕೆ ಹತ್ತು ನಿಮಿಷ ಸಾಕು. ಗಿಣಿಯ ಜೊತೆ ಆಟ ಆಡುತ್ತಾ ಕಲಿಯೋಣ!

Ten minutes a day is enough. Let's learn while playing with Gini!

ಕಲಿಯೋಣ · ಮಾತಾಡೋಣ · ಹಂಚೋಣ

Let's learn it · Let's speak it · Let's pass it on

ಸಿರಿಗನ್ನಡಂ ಗೆಲ್ಗೆ!

Welcome! A quick start for parents

Ten minutes a day, mostly talking and playing. Here's how to make it stick.

How it works

★ **1. Open Kid's corner**
On any phone, iPad or computer. Your child signs in with their 4-digit number (it's on your Home page and in your welcome email).

★ **2. Pick one of three**
Gini offers three picture choices every day: a lesson, drawing letters, or a story, call or game. Any one counts.

★ **3. Short bites**
Each activity takes 2 to 4 minutes and ends with "Want another one?". Stopping while it's still fun is perfect.

★ **4. Stars move Gini across Karnataka**
Every 15 stars, Gini flies to a new place (Mysuru, Hampi, Jog Falls...) and your child gets a sticker. Look it up together on a map!

★ **5. Paper, once a week**
Print the weekly packet from the Parent corner. One page a day, ten minutes, at the kitchen table.

A simple daily rhythm

- Same time every day: after the school snack, or before bed. Habits beat long sessions.
- Sit with your child for the first week. After that, let them lead and you just listen.
- Say the new word of the day at dinner. Ask: "What's that in Kannada?"

10 ways to keep Kannada fun at home

Kids learn a language they hear and use, with people they love.

🌼 Talk first, letters later

Understanding and speaking come first. Reading and writing follow much more easily.

🌼 One Kannada moment at every meal

Name the food: ಅನ್ನ (rice), ಹಾಲು (milk), ನೀರು (water). Ask for things in Kannada.

🌼 Label your home

Print the label sheet in this kit and stick ಬಾಗಿಲು on the door, ಕಿಟಕಿ on the window...

🌼 Praise the try, not the result

A big ಶಭಾಷ್! for every attempt. Mistakes mean they're trying.

🌼 Repeat, don't correct

If they say it wrong, just say it back the right way, warmly. No "no, that's wrong".

🌼 Let them call Ajji and Tata

One new word on every call. Grandparents' joy is the best reward there is.

🌼 Bedtime in Kannada

A story, a song or three Kannada words before sleep. Little and often.

🌼 Let them teach you

Ask your child to teach you today's word. Teaching makes it stick.

🌼 Put the alphabet chart where they eat

The fridge or the breakfast table. Point to one letter a day.

🌼 Celebrate the journey

When Gini reaches a new place, show photos of it. Plan a family visit one day!

On days they don't feel like it

- Do just one bite, or the word of the day, and stop. Keeping it light is how it lasts for months.

Kannada alphabet ಅಕ್ಷರಮಾಲೆ

Stick it on the fridge. Point to one letter a day and say its sound.
